

Multistakeholder and cross-sectoral partnerships are multiplying, but how do we support those guiding and leading partnerships to achieve the “more than the sum of the parts” results we are all seeking?

Drawing on global experience and designed to appeal to all types of learners from diverse sectors, this course balances conceptual and practical learning. It creates a safe space to support personal and professional development and is designed specifically for those involved in the challenging work of brokering and supporting partnerships throughout the project cycle to deliver results and impact.

Led by highly experienced Authorised Practitioner Trainers from the Partnership Brokers Association (PBA), this globally sought-after training offers an important opportunity for partnership practitioners to hone their skills with a diverse group of participants from business, non-profit, community, government, education and philanthropy.

The course can also be used for real-time partnership building when partners attend the course together and leverage the lessons to guide partnership strategy, management or review.

Successful completion of this course allows the graduate to progress to the Partnership Brokers Accreditation pathway and/or the Advanced Practice programme.
